**Case No. 14-0612-EL-REN  
Feeney-James-PA-PV-4.8KW Residence  
Staff Interrogatories – Second Set**

**Question 1:** In Section L of the facility application, it is listed as eligible to meet another state's RPS. Furthermore, in your response to the initial interrogatory, the facility is listed as already certified for the RPS of two states and the District of Columbia. For Section L.1, a State Certification Agency name is required for any additional certifications. Please provide the names of the appropriate State Certification Agencies for these three certifications (or verify the State Certification Agencies as the Pennsylvania Public Utilities Commission, the Illinois Commerce Commission and the District of Columbia Public Service Commission).

**Answer 1:** The State Certification Agencies are the Pennsylvania Public Utilities Commission, the Illinois Commerce Commission and the District of Columbia Public Service Commission.

**Case No. 14-0612-EL-REN

Staff Interrogatories – Initial Set**

**Question 1:** In Section A of the facility application, its coordinates are listed as latitude 40.1919 and longitude -75.0261. However, the facility appears to be at latitude 40.196323 and longitude -74.977085. Please verify the correct coordinates.

**Answer 1:** The proper coordinates are latitude 40.196323 and longitude -74.977085. Apologies for the confusion.

**Question 2:** In Section L of the facility application, it is listed as eligible to meet another state's RPS. In Section L.1, under "State Certification Agency," the State Certification Number is listed. Please list the correct State Certification Agency (most likely the District of Columbia Public Service Commission).

**Answer 2:** We have received the following state certification numbers for this facility:

PA	PA-391625-SUN-I
DC	DC-101126-SUN-I
IL	IL-09384-SUN-I

**Question 3:** In Section N.1.b of the facility application, the serial number of the facility's utility grade meter is listed as 64 80 222. On the picture, the serial number appears to be 64 808 222. Please verify the correct serial number.

**Answer 3:** The correct serial number is 64 808 222.

Please let me know if you have any further questions and thank you for your cooperation.
