In the Matter of the Application of Hardin Wind LLC, for a Certificate to Construct a Wind-Powered Electric Generating Facility in Hardin and Logan Counties, Ohio - Case No. 13-1177-EL-BGN

In the Matter of the Application of Hardin Wind LLC for a Certificate of Environmental Compatibility and Public Need for a Substation Project in Hardin County - Case No. 13-1767-EL-BSB

In the Matter of the Application of Hardin Wind LLC for a Certificate of Environmental Compatibility and Public Need for a 345kV Transmission Line in Hardin County - Case No. 13-1768-EL-BTX

Mr. Chairman and Members of the Ohio Power Siting Board:

I write to inform you of my opposition to the proposed Scioto Ridge Wind Farm project to be sited in Logan County and Hardin County. I am a resident of Logan County and live in close proximity to Indian Lake and the Indian Lake State Park. I believe that the installation of the wind turbines will have a negative impact on my community. Please reconsider your decision to locate the Scioto Ridge Wind Farm so close to Indian Lake.

It is crazy to have something as unsightly as turbines bordering the view of a natural habitat for wildlife and humans. I am not against turbines but feel they should be in largely uninhabited areas to not destroy the natural beauty of the area many go to for escape from such things.

Sincerely,
Brad Brandt
