Mr. Ledet,

Just to follow up on your CSX question. The railroad has Federal Right of Way and property ownership, different than a deeded landowner owner. Working with the railroad to cross their property in any manner is handled through the attached permit template, which is exhibit BB in the OPSB application. Our contact for all CSX information and permit: [Chase\\_Browning@CSX.com](mailto:Chase_Browning@CSX.com). In addition, you may also contact: [Corridor\\_Development@csx.com](mailto:Corridor_Development@csx.com).

Best,  
Monica Jensen

Concerning Case NO 13-0990-EL-BGN

To Steven Irwin,

In the Case Document section of the Greenwich Windpark LLC case no. 13-0990-EL-BGN , there is an entry dated 6/3/2014 containing 116 pgs. Exhibit 2A lists the property owners and exhibit 2B lists the adjacent property owners. I've looked through this several times and I can't find the CSX railroad anywhere They have two different double mainlines in the project area. I'm attempting to get in touch with all owners. Can you help?  
Thank you, Kevin Ledet
