Re: Greenwich Windpark, Case No. 13-0990-EL-BGN

Chief Seidel,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Greenwich Windpark, OPSB Case No. 13-0990-EL-BGN. Your correspondence will be docketed in the public comments section of the case record.

It is noted that you are in favor of the proposed project.

The case is currently pending before the Board. Before the Board makes a decision about the Greenwich Winpark, it will consider Windlab's application, the OPSB staff report, public comments, and the records of the public and adjudicatory hearings. All of these materials are available on Ohio Power Siting Board website (www.OPSB.ohio.gov).

Thank you for your interest in this case. If you would like to sign up to receive email notification of upcoming Board agendas and decisions, or if you simply have additional questions, please contact my office at (866) 270-6772.

Sincerely,

Patrick Donlon, Interim Executive Director
Ohio Power Siting Board

Reference Case #13-0990-EL-BGN
Greenwich Windpark, Huron County

To Whom It May Concern:

I am writing this letter to express my continued support of the proposed Greenwich Windpark in Huron County, Ohio. I am writing not only as a landowner but also the Fire Chief of the Tri-Community Joint Fire District in Greenwich Ohio. This project will be a valuable step towards production of clean energy in Ohio.

Huron County-specifically, the Greenwich community-would benefit greatly from the economic development this project would provide. The Greenwich Windpark project would result in a positive economic benefit to the Greenwich community, including the Tri-Community Joint Fire District. We are a local volunteer fire department that relies on local tax dollars to provide fire protection to our community. This project will provide taxes to local governments and confer land lease payments to participating land owners.

Thank you for your consideration.

Sincerely,

Chief David C. Seidel
Tri-Community Joint Fire Department
