Re: Greenwich Windpark, Case No. 13-0990-EL-BGN

Mr. & Mrs. Hunter,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Greenwich Windpark, OPSB Case No. 13-0990-EL-BGN. Your correspondence will be docketed in the public comments section of the case record and made available for the Board's review prior to their decision.

A public informational meeting was held at South Central High School on May 22, 2013 in accordance with Ohio Administrative Code (OAC) 4906-5-08(B). As you mentioned, a local public hearing was held in Greenwich on May 6, 2014, in accordance with OAC 4906-7-01(A). Notice for both meetings was published in the *Norwalk Reflector* and the *Greenwich Enterprise Review*.

The case is currently pending before the Board. Before the Board makes a decision about the Greenwich Windpark, it will consider Windlab's application, the OPSB staff report, public comments, and the records of the public and adjudicatory hearings. All of these materials are available on Ohio Power Siting Board website (www.OPSB.ohio.gov).

Thank you for your interest in this case. If you would like to sign up to receive email notification of upcoming Board agendas and decisions, or if you simply have additional questions, please contact my office at (866) 270-6772.

Sincerely,

Patrick Donlon, Interim Executive Director
Ohio Power Siting Board

ATTN: PUBLIC AFFAIRS
GREENWICH WINDPARK LLC
CASE # 13-990-EL-BGN

DEAR SIRs:

I spoke with a party in your office on Monday and she suggested writing with the case no. which is 13-990-EL-BGN. I am writing because we just learned of additional issues which may not have been raised in the public hearing on May 6, 2014 at the South Central High School.

Seneca and farm adjacent one of the proposed turbines we are requesting you to slow down the process enough to have ~~one~~ more public hearing. We feel since these 2.4 MW wind turbines + their footprint will be here forever that some additional information should be forthcoming.

Thank you for considering this request. I think the citizens who are on the edges should have further opportunity to express their concerns.

Sincerely yours,

Clark & Bonnie Kenter
