ENTRY

The attorney examiner finds:

- (1) The Dayton Power and Light Company (DP&L) is a public utility as defined by R.C. 4905.02 and, as such, is subject to the jurisdiction of this Commission.
- (2) On December 21, 2012, DP&L filed an application seeking authority to recover storm Operation and Maintenance (O&M) expenses for all major event storms in 2011 and 2012, as well as certain 2008 storm O&M expenses. DP&L also requests authority to implement a storm cost recovery rider to recover all costs associated with major storms going forward and to defer O&M costs until they are recovered through the rider.
- (3) On May 1, 2014, a stipulation and recommendation signed by Staff, DP&L, and the Kroger Co. was filed in this case. The signatory parties assert that the stipulation resolves all of the issues in this matter. However, the Ohio Consumers' Counsel did not join as a signatory party to the stipulation.
- (4) This case proceeded to hearing on June 3, 2014. During the hearing, the attorney examiner indicated that the parties would be granted 30 days from the date the transcripts are filed to file post-hearing briefs and 15 days to file reply briefs. Accordingly, the attorney examiner finds that post-hearing briefs should be filed by July 24, 2014, and reply briefs by August 8, 2014.

It is, therefore,

ORDERED, That post-hearing briefs be filed by July 24, 2014, and reply briefs by August 8, 2014, in accordance with Finding (4). It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
