As a citizen of this township I, Marcia Ledet oppose this project. I fear the ill health effects. I fear the loss of property value. I fear the loss of peace and serenity that I have enjoyed for 37 years sitting on my porch. I have children and grand children living less than a mile from some of these monsters. We did not sign up for this when we choose country living. I am appauled at what this is already doing to us in the way of stress. Please stop thus project.
