Case No. 14-1117-EL-BTA**

Dear Mr. Safick,

American Transmission Systems, Incorporated ("ATSI") and The Cleveland Electric Illuminating Company ("CEI"), FirstEnergy companies, are proposing a modification to Condition 21 of the Opinion, Order, and Certificate for the Geauga County 138 kV Transmission Line Supply Project ("Project") issued November 24, 2008 in Case No. 07-0171-EL-BTX ("Application"). In this Application, ATSI and CEI are requesting that the Board amend Condition 21, which relates to construction laydown areas used during the construction of the Project, to allow two construction laydown areas to remain following construction, due to their utility in future operations and potentially storm recovery activities.

We have prepared and filed the attached Amendment with the OPSB for their review and approval. The attachment contains a description of the Amendment, and is provided for your information.

I will be happy to answer your questions concerning this matter. You can contact me at (330) 384-2526.

Case Number 07-0171-EL-BTX
Geauga County 138 kV Transmission Line Supply Project
Case No. 14-1117-EL-BTA**

To Whom It May Concern:

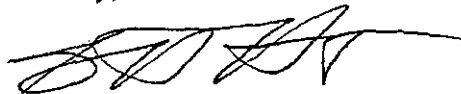

Enclosed please find one copy of the Application for an Amendment to Condition 21 of the Opinion, Order, and Certificate for the Geauga County 138 kV Transmission Line Supply Project ("Project") issued November 24, 2008 in Case No. 07-0171-EL-BTX ("Application"). This Amendment is being proposed by American Transmission Systems, Incorporated ("ATSI") and The Cleveland Electric Illuminating Company ("CEI"), FirstEnergy companies.

In this Application, ATSI and CEI are requesting that the Board amend Condition 21, which relates to construction laydown areas used during the construction of the Project, to allow two construction laydown areas to remain following construction, due to their utility in future operations and potentially storm recovery activities.

We have prepared and filed the attached Amendment with the OPSB for their review and approval. The attachment contains a description of the Amendment, and is provided for your information.

I will be happy to answer your questions concerning this matter. You can contact me at (330) 384-2526.

Case Number 07-0171-EL-BTX
Geauga County 138 kV Transmission Line Supply Project
Case No. 14-1117-EL-BTA**

Dear Mr. Gillette,

American Transmission Systems, Incorporated ("ATSI") and The Cleveland Electric Illuminating Company ("CEI"), FirstEnergy companies, are proposing a modification to Condition 21 of the Opinion, Order, and Certificate for the Geauga County 138 kV Transmission Line Supply Project ("Project") issued November 24, 2008 in Case No. 07-0171-EL-BTX ("Application"). In this Application, ATSI and CEI are requesting that the Board amend Condition 21, which relates to construction laydown areas used during the construction of the Project, to allow two construction laydown areas to remain following construction, due to their utility in future operations and potentially storm recovery activities.

We have prepared and filed the attached Amendment with the OPSB for their review and approval. The attachment contains a description of the Amendment, and is provided for your information.

I will be happy to answer your questions concerning this matter. You can contact me at (330) 384-2526.
