On that same day, RD Energy filed motions for a protective order, pursuant to Ohio Adm.Code 4901-1-24(D), requesting that exhibits C-3 and C-5 of its applications, which were filed under seal in 10-72 and 10-73 on January 10, 2012, and amended by a filing under seal in 10-72 on February 23, 2012, be kept confidential.
- (2) By Entry dated March 9, 2012, RD Energy's motions for a protective order were granted, and exhibits C-3 and C-5 of its applications were placed under seal.
- (3) The Entry granting RD Energy's motions for a protective order, noted that Ohio Adm.Code 4901-1-24(F) requires a party wishing to extend a protective order to file an appropriate motion at least 45 days in advance of the expiration date. RD Energy was advised that, if it wished to extend the confidential treatment of exhibits C-3 and C-5, it should file appropriate motions at least 45 days in advance of the expiration date. Further, if no such motions to extend confidential treatment were filed, the Commission might release this information without prior notice to RD Energy.
- (4) No motions to extend the protective order for exhibits C-3 and C-5 of RD Energy's renewal applications has been filed.

- (5) Accordingly, on July 18, 2014, the docketing division is directed to release to the public record exhibits C-3 and C-5, filed under seal in these dockets on January 10, 2012, and amended by a filing under seal in 10-72 on February 23, 2012.
