Ms. Lee,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the proposed Greenwich Windpark (OPSB Case No. 13-0990-EL-BGN). Your comments will be docketed in the case record.

Alternative Energy Zone (AEZ) are regulated by Ohio Revised Code (ORC) section 5727.75 (<http://codes.ohio.gov/orc/5727.75>). ORC 5727.75 instructs that county commissioners determine the taxation of applicable projects. The OPSB is not involved in issues of taxation.

Thank you,

Steve

Re: Case #13-0990-EL-BGN

This is a request that our area not be made into an Alternative Energy Zone (AEZ).

There is much skepticism that this will be an improvement to Greenwich Township citizens or the community especially since there was already a lawsuit involved regarding turbines. fairwindenergy.org shows that concerns were apparently legitimate regarding area **citizen's health and the decline of property values**. If it has a place it is in high wind areas along mountain tops and cliffs, but not among homes.

Please heed the pleas from the area residents,
Bonita Lee
