Mr. Chairman and Members of the Ohio Power Siting Board:

I write to inform you of my opposition to the proposed Scioto Ridge Wind Farm project to be sited in Logan County and Hardin County. I am a resident of Logan County and live in close proximity to Indian Lake and the Indian Lake State Park. I believe that the installation of the wind turbines will have a negative impact on my community. Please reconsider your decision to locate the Scioto Ridge Wind Farm so close to Indian Lake.

The eyesore created by this project will have a seriously negative economic effect on the area due to the loss of recreational and tourist spending. Additionally, there is serious risk to migratory and hunting patterns of the waterfowl and other birds that reside and migrate through the Indian Lake area, including the American Bald Eagle which has reclaimed the area as a nesting ground.

Sincerely,
Tim Hughes
