MEMORANDUM IN SUPPORT

On July 14, 2014 the Staff submitted an additional set of data requests to Dayton Power and Light. Understandably the company has not yet responded to these inquiries. The answers to these questions will lead to a clearer understanding of the issues in this case and allow a more complete development of a more full record for the Commission's ultimate consideration. The requested extensions will allow sufficient time for the receipt and analysis of the information sought by the Staff. The development of the case will be aided and no party will be harmed by the grant of the requested extensions. As noted previously, neither party to the case objects to the requested extensions.

Respectfully submitted,

Michael DeWine
Ohio Attorney General
