

BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of The )  
Dayton Power and Light Company for ) Case No. 14-1084-EL-UNC  
Authority to Sell its East Bend Unit 2. )

ENTRY

The attorney examiner finds:

- (1) The Dayton Power and Light Company (DP&L) is a public utility as defined in R.C. 4905.02 and, as such, is subject to the jurisdiction of this Commission.
- (2) On June 13, 2014, DP&L filed an application for authority to sell its East Bend Unit 2 (East Bend) generation asset. In its application, DP&L requests that the Commission initiate expedited proceedings, including waiver of any otherwise applicable public or evidentiary hearing process, and establish an accelerated procedural schedule with a comment and reply comment period.
- (3) On June 20, 2014, the attorney examiner issued an entry directing that comments on DP&L's application be filed by July 18, 2014, and reply comments by August 1, 2014.
- (4) On July 16, 2014, Staff filed a motion for an extension of time to file comments and reply comments. Staff's motion requests an additional 30 days to file comments and reply comments. Staff asserts that there is good cause for granting its motion because the requested extensions will allow sufficient time for DP&L to reply to Staff's data requests and for Staff to analyze DP&L's responses. Additionally, Staff asserts that it has contacted the parties to this proceeding and that no party objects to the granting of Staff's motion.
- (5) The attorney examiner finds that Staff's motion is reasonable and should be granted. Accordingly, comments should be filed by August 18, 2014, and reply comments by September 1, 2014.

It is, therefore,

ORDERED, That Staff's motion be granted and that comments be filed by August 18, 2014, and reply comments by September 1, 2014. It is, further,

ORDERED, That a copy of this Entry be served upon all parties and interested persons of record.
