Mrs. Shepherd,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Greenwich Windpark, OPSB Case No. 13-0990-EL-BGN. It is noted that you oppose the proposed project. Your correspondence will be docketed in the public comments section of the case record.

At this time, the Board is reviewing the case record, and has yet to schedule the case for a vote. You may be interested in reviewing the OPSB Staff Report of Investigation filed on April 18, 2014. The staff report discusses the proposed project extensively, including potential impacts to the project area.

If you would like to sign up to receive email notification of upcoming Board agendas and decisions, or if you simply have additional questions, please do not hesitate to contact me.

COMMENTS: To whom it may concern,

I recently attended an information meeting concerning the wind turbines that may be coming to our area. Please help us stop this from happening! According to the maps we have seen, there will be 4 wind turbines within 1 mile from our home. My husband suffers from epilepsy and we are very concerned about what negative impact this will have on his health. Once again, please help protect our community ! Stop the wind turbines!!
