**Re: Q LINK WIRELESS LLC (Case No. 12-2379-TP-UNC)  
Addition of T-Mobile USA, Inc. as an underlying carrier**

Dear Ms. McCauley:

By Finding and Order of the Public Utilities Commission of Ohio ("Commission") entered January 30, 2013, Q LINK WIRELESS LLC ("Q LINK") was granted conditional designation as an ETC for the limited purpose of providing Lifeline service. Q LINK has continued to comply with the Commission's requirements for continued ETC status.

Since designation, Q LINK has been providing wireless Lifeline service to eligible Ohio Lifeline customers utilizing the Sprint Spectrum L.P. ("Sprint") network as its underlying carrier. In order to best serve its customers and provide quality service and coverage throughout the State of Ohio, Q LINK has added T-Mobile USA, Inc. ("T-Mobile") as an additional underlying carrier.

By this letter, Q LINK hereby notifies the Commission that it will resell the service of T-Mobile in addition to Sprint. All rates, terms, and conditions approved by the Commission in its Order entered January 30, 2013 in Case No. 12-2379- TP-UNC will apply.

If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.

Respectfully submitted,

s/ BARBARA BISON JACONSON

Barbara Bison Jacobson, Esq.  
Attorney for Q LINK WIRELESS LLC
