COMMENT DESCRIPTION:

In the matter of Case No.: 08-0666-EL-BGN and related case Case No. 13-360-EL-BGA We are writing to object to the Motion filed by Everpower Wind to extend their Certificate of Environmental Compatibility and Public Need (the "Certificate") for the Buckeye I Wind Project from March 22, 2015 to May28, 2018. The people of Champaign County have been living with the prospect of a wind development for more than five years. We have something to say about Everpower's request and deserve the due process of being heard in a formal hearing. Granting a motion to extend the certificate without a hearing would disenfranchise the public and would prevent me from the opportunity to go on the record in this matter. We believe the OPSB's procedures provide for a hearing. We are requesting that you deny Everpower's motion and conduct a hearing on their application. Thank you. Joy J. and John R.
