Attachments: Greenwich Survey pg.1.pdf; Greenwich Survey pg.2.pdf

To the voting and non voting members of the OPSB and the public comments section. Here is a survey of Greenwich and surrounding area residents. There are 201 names and with the exception of 3 people, who marked both for and against, 198 people are against the construction of this project. Combine the 198 people from this survey with the 73 adjacent landowners, from a previously recorded survey, and you have 271 people against the construction of this project.
