Mr. & Mrs. Hughes,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Hardin Wind Energy Project.

Public comment on matters before the OPSB are always welcome, regardless of the case's status in the siting process. The OPSB regularly reviews public comments before a project is certificated, after a Board decision, and during the construction and operation of a project. As such, your comments will be docketed in the public comment sections of the case file under OPSB Case Number <u>09-479-EL-BGN</u>.

Again, thank you for your interest in the case.

Sincerely,

Steve

To OPSB Members:

Hardin Wind Energy LLC has filed a motion for an extension of their certificate of approval.

This is an obvious attempt to disenfranchise the public by denying public comment--and it is very disturbing.

We ask the OPSB to deny their request for a motion of extension and require Hardin Wind Energy LLC to submit an application for their extension request. We ask the Ohio Power Siting Board to hold a hearing on the extension of Hardin Wind Energy LLC's certificate of approval.

Ohioans must be given a voice--and the OPSB has the power to grant Ohio citizens that voice.

this is to certify that the images appearing are an accurate and complete reproduction of a clube file iocument delivered in the regular course of busines. Thank you.
