Ms. Betsey Reames,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Hardin Wind Energy Project.

Public comment on matters before the OPSB are always welcome, regardless of the case's status in the siting process. The OPSB regularly reviews public comments before a project is certificated, after a Board decision, and during the construction and operation of a project. As such, your comments will be docketed in the public comment sections of the case file under OPSB Case Number 09-479-EL-BGN.

Again, thank you for your interest in the case.

Sincerely,

Steve

Subject: Deny Extension

Dear OPSB,

In reference to case #**09-0479-EL-BGN**, it is our request that you deny Hardin Wind LLC an extension but instead a require an application that would allow for a hearing and the public to comment on the project.

Thank you,
