Case NO 13-0990-EL-BGN

Dear Members

I'm writing to you because
of my concern I have about
the future of our little community
of Greenwich, Ohio

My family of 3 generations have
lived on the same land since 1900.

I have been given the pleasure to
sit on my porch, look over the
fields, the woods and watch the
wild life.

I am proud to be an American
where I can write and tell you
my concerns. This Greenwich
Windpark LLC project NO 13-0990-EL-BGN
is going to effect everyone - in
this area because of how close they
will be - how large they are. The wind
turbines have been proven not to be effective

they effect the wild life. - They
effect people health.

I'm sadden for those who signed
up for them for they will lose some
of their freedom.

I know Power + greed is a factor in
our America & I pray that each
of you on this board will search
your hearts & do the right thing
for our community of Greenview
Ohio which I strongly believe
should be a no vote & stop
this project - Please vote no.

Sincerely

Patricia C. Brown
