Mr. Hites,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Hardin Wind Energy Project.

Public comment on matters before the OPSB are always welcome, regardless of the case's status in the siting process. The OPSB regularly reviews public comments before a project is certificated, after a Board decision, and during the construction and operation of a project. As such, your comments will be docketed in the public comment sections of the case file under OPSB Case Number 09-479-EL-BGN.

Again, thank you for your interest in the case.

Sincerely,

Steve

THERE HAS NOT BEEN ANY EFFORT TO INFORM THE COMMUNITY OF THESE WIND MILLS GOING INTO OUR COUNTY WHICH IS (HARDIN). CASE #**09-0479-EL-BGN**.

First of all this should not be allowed without the county voting on it! I have asked several of my neighbors if they knew anything about this and none of them had no knowledge of the wind mills. This seems to be alot of back room dealing. I

suggest that this needs to go to a county vote and if it passes then so be it and if it fails then find another place to build these wind generators. Build this wind mills wherever there sending the power too.

PRO'S

COUNTY RECEIVES MONEY

CONS

DECREASES PROPERTY VALUES

NO JOBS FOR THE LOCAL'S AFTER CONSTRUCTION.(NEED MINIMUM 5 YEARS OF EXPERIENCE)

ELECTRIC BILLS WILL INCREASE AND THE COUNTY DOESN'T BENEFIT FROM THE POWER

THEY ARE LEFT WITH OIL LEAKING FROM THEM ONTO THE GROUND LIKE IN MCGUFFEY OHIO

BACK ROOM DEALING ! I ONLY FOUND OUT A COUPLE OF MONTHS AGO THRU MY SISTER.

THANKS FOR YOUR TIME
