Greenwich, Ohio 44837

Mrs. Leber,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the proposed Greenwich Windpark, OPSB Case No. 13-0990-EL-BGN. Your comments will be filed in the public comments section of the docket.

This case is currently pending before the OPSB. Currently, the Board has not announced when it will consider this matter. Notice of the Board's agendas and decisions are available on the OPSB website at [www.opsb.ohio.gov](http://www.opsb.ohio.gov).

The Staff Report of Investigation, published on April 18, 2014, discusses analysis on many potential impacts of the project, including to local ecology. Specific discussion to the coordination between the Applicant, Ohio Power Siting Board Staff, the Ohio Department of Natural Resources Division of Wildlife, and the U.S. Fish & and Wildlife begins on page 24 of the Staff Report. This section concludes on page 28.

The Ohio Power Siting Board process is governed by the Ohio Administrative Code (OAC). Applicants to the Board are required to hold a public informational meeting prior to the submission of their application (OAC 4906-5-08(B)). Additionally, during the siting process, the OPSB holds a local public hearing, in accordance with OAC 4906-7-01 and an adjudicatory hearing.

If you have any additional questions, please feel free to contact me by phone or reply email.

Thank you,

Steve

COMPLAINT DESCRIPTION:

Dear OPSB,

My name is FAY LEBER I'm a Greenwich Twp. Resident, I have lived here 40yrs in Greenwich Twp. Please do not allow the Wind turbines here. They will Forever Change our farming community. The way of life we so Love here. I have raised 3 children here. Most of the people in our Twp. Oppose The Wind Farm here. I believe there needs to be more studies done on Health Concerns. Before they are put in close communities. Bald Eagles are another reason Why ? there was nothing on the Investigation report on them being in our area..!!! Our National Bird !!!! USA To allow the turbines here is a Un- American Act.. They have a nest here for 5-10 years they are Beautiful. Stop Them Now. Vote No !!!!! Neighbors who kept this from neighbors shame on them. Was this done on purpose by WindLab. I say yes. Some Leases where signed in up 2010 thru 2014 Some have been getting money for almost 4years. I read Monica had to have 3 Public Meetings. What dates AND where at? I only seen May 22,2013. When did the other 2 take place? THE 2 HEARINGS IN MAY 6, 19TH . do not

count. If money was not a factor in this wind turbine farm for the people who leased their land . They would not give them the time of day. So Please here the cry of the people of Greenwich Twp. I believe if you allow the wind farm in Our Community FOR IT WILL FOREVER CHANGE OUR TWP. IT HAS ALREADY PUT NEIGHBORS AGAINST NEIGHBOR. PLEASE DONT ALLOW THIS WIND FARM HERE IT WILL DESTROY OUR FARMING WAY OF LIFE AND A VIEW OF COUNTRY LIVING. THANK YOU, FAY LEBER
