Ms. Oney,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Greenwich Windpark proposed in case number 13-0990-EL-BGN. Your correspondence will be docketed and made available in the public comments section of the online case record.

Many of your concerns are addressed in the Staff Report of Investigation for this project. It is noted that you are opposed to the proposed project.

The Greenwich proposal is still pending before the OPSB. The Board has scheduled a meeting for August 25, 2014 at 3:30 p.m. (Room 11B, 180 E. Broad Street, Columbus, Ohio 43215), however, to date, an agenda for this meeting *has not* been established. The agenda will be available on the OPSB website at a forthcoming date.

Thank you,

Steve

Please note that I am an adjacent land owner in Greenwich Township and do not want industrial wind turbines erected on leased, neighboring land. I object because we own a large dairy farm and I fear for our health and the health of our hundreds of heads of livestock. They will also destroy the beauty of our land scape while causing deer, turkey and other wild life to leave our area. We are a family of hunters and that will create a void in the lives of my husband, sons, and grandchildren. Please keep them out of our township to avoid the already low property values going even lower. Thank you. Connie Oney, 3496 Rome-Greenwich Rd., Greenwich, Ohio 44837
