ATT: THOMAS W. JOHNSON, CHAIRMAN

Dear Mr. Johson,

As a resident of Greenwich, Ohio, I am very concerned about the proposed wind farm. I am very concerned about the noise, impact on wildlife, and property values. There is also the added concern of safety due to fire (caused by lightening strikes) in a village with a volunteer fire department with no equipment to fight such fires. Ice throw is another concern.

Now that our community is fully aware of the situation, I would ask that another hearing be granted to hear our concerns.

Thank you for your consideration.
