Ms. White,

2014 AUG 11 PM 4: 28

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Greenwich Windpark proposed in case number 13-0990-EL-BGN. Your correspondence will be docketed and made available in the public comments section of the online case record.

At this time, the Board continues to review the record in this case and has yet to schedule the Greenwich Windpark for a decision. For additional mapping detail of the proposed facility, you may be interested in reviewing the interactive map of the project area developed by the OPSB staff using data provided by Windlab.

Please do not hesitate to contact me with any additional comments or questions.

Sincerely,

Steve

I oppose the wind project proposed for Greenwich, Ohio. I am an adjacent land owner. Please do not let this project go forward. Thank you for your time!
