Request for Administrative Hearing

This case has been tried in the State of Ohio and it was determined that Jon Robinson was not guilty of the charge assessed against him and proof was presented that Jon Robinson was guilty of a lesser charge and the verdict was amended to meet that charge. The proof and the amended charge were both provided to your officer Cheryl Streets which she chose to ignore the facts of the case. Because of her negligence we are now requesting an administrative hearing. Enclosed are samples of the proof we provided her and we formally request a telephonic notification of the date and time and place of this hearing.

Sincerely

Jon Robinson
