ENTRY

The attorney examiner finds:

- (1) The above-referenced complaint was filed on July 7, 2014. In the complaint, Ron Mosley (Mr. Mosley or Complainant) alleges unfair billing practices, inadequate service, and unjust treatment by The Dayton Power and Light Company (DP&L). More specifically, Mr. Mosley alleges in the complaint that DP&L overcharged him for electric service, billed him for electricity he did not use, provided no actual meter readings, and charged late fees when his payments were timely. Further, Mr. Mosley states that DP&L destroyed and replaced his meter, and endangered the health of his wife by shutting off electric service.
- (2) On July 18, 2014, DP&L filed an answer denying the allegations in the complaint.
- (3) At this time, the attorney examiner finds that this matter should be scheduled for a settlement conference. The purpose of the settlement conference will be to explore the parties' willingness to negotiate a resolution of this complaint in lieu of an evidentiary hearing. In accordance with Ohio Adm.Code 4901-1-26(E), any statements made in an attempt to settle this matter without the need for an evidentiary hearing will not generally be admissible to prove liability or invalidity of a claim. An attorney examiner from the Commission's legal department will facilitate the settlement process. However,

nothing prohibits either party from initiating settlement negotiations prior to the scheduled settlement conference.

- (4) Accordingly, a settlement conference shall be scheduled for September 23, 2014, at 10:00 a.m., in the offices of the Commission, Conference Room 1246, 12th floor, 180 East Broad Street, Columbus, Ohio 43215-3793. If a settlement is not reached at the conference, the attorney examiner will conduct a discussion of procedural issues. Procedural issues for discussion may include discovery dates, possible stipulations of facts, and potential hearing dates.
- (5) Pursuant to Ohio Adm.Code 4901-1-26(F), the representatives of the public utility shall investigate the issues raised in the complaint prior to the settlement conference and all parties attending the conference shall be prepared to discuss settlement of the issues raised and shall have the requisite authority to settle those issues. In addition, parties attending the settlement conference should bring with them all documents relevant to this matter.
- (6) As is the case in all Commission complaint proceedings, the complainant has the burden of proving the allegations of the complaint. *Grossman v. Public Util. Comm.* (1996), 5 Ohio St. 2d 189, 214 N.E. 2d 666 (1966).

It is, therefore,

ORDERED, That the matter be scheduled for a settlement conference on September 23, 2014, at 10:00 a.m., in the offices of the Commission, Conference Room 1246, 12th floor, 180 East Broad Street, Columbus, Ohio 43215-3793. It is, further,

ORDERED, That a copy of this Entry be served upon each party of record.
