Ms. Shepherd,

Thank you for contacting the Ohio Power Siting Board (OPSB) regarding the Greenwich Windpark, OPSB Case No. 13-0990-EL-BGN. Your comments will be docketed in the case record.

The Production Tax Credit is federal program and not influenced in any way by the OPSB.

More information about the proposed project is available in the OPSB Staff Report of Investigation, which serves as the OPSB Staff's recommendations to the Board. The Board will consider and vote on the project on August 25.

Please do not hesitate to contact me if you have any additional questions about the OPSB or the Greenwich Windpark proposal.

Thanks,

Steve

COMMENTS: Dear voting members,
I have recently been to several community meetings concerning the wind turbines. Please do not support the production tax credit! We need more information since the negative impact has been brought to our attention. Please vote against the Greenwich wind turbines!
Respectfully,
Julia Shepherd
