Subject: Wind Turbines-Greenwich

I oppose the thought of a wind turbine park in Greenwich. Everything I have read and seen on the subject of Wind Turbines is not good. Families have a hard time sleeping at night. Health issues arise from the noise and animals suffer as well. Property values drop as well. This is not something I would like to see in our community. I have lived in this area all my life. This is case#13-0990-EL-BGN
