COMMENTS: Case 13 0090 El ban

Wind turbines are gonna end being our Robles if we don't get your help. We the people of greenwich deserve to be heard again. We need another meeting to be held on this matter. We now know what turbines will do to our neighborhood and especially the health to our families. Please help us in forcing greenwich wind park into another meeting with the public of greenwich.

thank you

Mike stevens
