Subject: Project #13-0990-EL-BGN Greenwich windpark

Mr. Donlon,

I am strongly opposed to this project. My home and family will be affected by this.

There is too much potential for harm to people, animals and birds, farmland and property values.

This project should not have to be subsidized with our tax dollars as the village of Greenwich will receive no benefits from any power by these turbines.

Please do not approve this project.

Thank you.
