Subject: POSITIVE EXPERIENCES? CASE#13-0990-EL-BGN
Attachments: Reposit Power - Luke Osborne.pdf; Distance from Capital to Hoskinstown.jpg; Distance from Capital to Hoskinstown.jpg; Reposit Power - Luke Osborne.pdf

Dear OPSB,

On video recording, I asked Monica Jensen for names of people who live near turbines that Windlab operated. I wanted some honest responses they have had since the turbines were operating. She told me, "Luke Osborne, he lives under the project." She said he has had a positive experience.

Okay. So I explore Australian records regarding this "Luke Osborne." See attached records. By his own RET submission he reports he is a leaseholder and is employed by the "renewable" energy industry.

According to his own report he actually lives 30km(!) from the Capital Wind "Farm." He does NOT live "under the project." As noted, "speaks for itself doesn't it?"

Why would Monica lie to my face, on video, again?!?! Will she do anything to push this project through so she can earn her cut of the pie (a \$120 million dollar pie, largely consisting of our tax dollars of course)?

What kind of a company will you be giving permission to trample our fields, destroy our land that has been in families for generation after generation, destroy our property values and our health?

It is fascinating that I have had little contact with Monica Jensen, yet I personally have caught her in so MANY BOLD-FACED LIES.

DO WE INVITE LIARS TO COME INTO OHIO AND TAKE ADVANTAGE OF HONEST, HARD-WORKING, TAX-PAYING FAMILY-ORIENTED COMMUNITIES? ONLY YOU WILL DECIDE, APPARENTLY. WHAT WOULD YOU DO IF THIS VERY QUESTIONABLE COMPANY WITH VERY QUESTIONABLE RESEARCH WERE VERY QUIETLY PREYING ON YOUR COMMUNITY FOR OVER FOUR YEARS?

HOW WOULD YOU RESPOND IF THEY WANTED TO TRAMPLE LAND LOCATED 717 FEET FROM YOUR HOME, AND THEN REPORT THAT YOU ARE NOT AN "ADJACENT LANDOWNER." WELL NEITHER ARE THEY, MONICA AND HER LAWYER AND WINDLAB EXECS (WHO WANT NEW YACHTS) DO NOT LIVE HERE!!!

THEY DO NOT LIVE HERE! WE ARE OHIANS, AND SO ARE YOU. PLEASE, WE BESEECH YOU, TO RESPOND AS YOU WOULD IF THIS LOCATED 717 FEET FROM YOUR HOME. THIS PROJECT SHOULD NOT BE IN ANYONE'S BACKYARD.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

Respectfully and Honestly,

Valerie C. Malicki, MA, LPCC

On Thursday, June 26, 2014 7:17 PM

Dear Valerie

Luke Osborne appears to no longer work for Windlab and obviously hasn't since October 2013. He now works for a company called Reposit Power.

<http://repositpower.com/about/>

I purchased the company certificate to see if he was a major shareholder and he isn't even that. He has 4000 shares. See attached document

What I also note is that Luke Osborne states his address is 1692 Hoskinstown Road Hoskinstown which is nearly 30 kilometres away from the nearest turbine at Capital Wind Farm. Speaks for it self doesn't it.

Checked out the white pages to confirm address and bingo he lives exactly where the document states not at Capital Wind Farm on family property, mind you there are plenty of houses on the properties owned by his uncles and father and cousins, some of them even empty.

1

Osborne L H & J M

1692 Hoskinstown Rd, Hoskinstown NSW 2621(02) 6238 2321 Map Send to

Hopefully that helps to put the Luke Osborne factoid to bed.

I have also attached a copy of google earth showing the distance from the closest turbine to 1692 Hoskinstown Road Hoskinstown.

Cheers!

Members

Note: For each class of shares issued by a proprietary company, ASIC records the details of the top twenty members of the class (based on shareholdings). The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database. Where available, historical records show that a member has ceased to be ranked amongst the top twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.
