RECEIVED-DOCKETING DIV

Dear Jeffrey J. Lechak
and the OPSB,

PUCO

I am a member of the Greenwich
Neighbors United who are opposing
the Greenwich Wind Park in Greenwich
Township. Case No. 13-0990-EL-BGN

I hope you are reading the public
comment section on the OPSB

public comment section. To get an
heart felt feeling of our concern
up here in Greenwich, Ohio.

We are concerned about the
health effects of Wind Turbines
with in 1/2 mile of homes. My
2 daughters + their families and
my husband and I are among
those that close. We also fear.

our property value will diminish
and our safety of us and the
wild life is at stake.

We desire a stop on any
more wind farms in Huron County

until SB 310 has been completed
in Sept 2015.

We are not against wind Farms
all together just where they are
placed. History here and abroad
has proved them to be a nuisance
at closer than 3 mile radius.
We are too heavily populated
here in this Township.

Sincerely,

Marcia Jodet
