Subject: Greenwich Windpark - Power Siting Board Case No. 13-990-EL-BGN

Dear Mr. Donlon,

In follow-up to an earlier email of Senator William Seitz, I also write to support the request of the immediate neighbors of the proposed Greenwich Township Wind Park for a second public hearing before the Ohio Power Siting Board.

As noted in Sen. Seitz's email, the first hearing was held at a time inconvenient to many of the neighbors. I also believe that a second public hearing should be held to ensure input from all impacted individuals.

Senator Michael J. Skindell
