COMMENT DESCRIPTION:

To whom it may concern,

Tomorrow the Ohio Sitting Board has an agenda set in room 11B over the windfarm project in Greenwich (13-990-EL-BGN). If you drive through this town you will see numerous "stop the wind turbine" signs everywhere. The people of this town don't want this and want to have a say

document delivered in the regular course of business.

in it. I don't have time to go into the details as to why me and others don't want it, the fact is we don't. Call me old fashioned, but I still believe in democracy and feel that people need a say in this. Please represent us the way we want in this manner. If another town is in favor of the windfarms, they can have them.

Sincerely,

Dawn Oney
