## **MEMORANDUM IN SUPPORT**

---

The RFP approved by this Commission's April 15, 2014 order requires the audit report to be submitted by August 29, 2014. Given the complexity of the issues presented, the auditor has found that a full examination requires more time than was initially thought. Postponing the due date will allow sufficient time for the auditor to complete a thorough examination and will provide the Commission with the information needed to adequately review the subject matter of the case. Therefore the Staff asks that the due date be moved to September 15, 2014. We do not believe that moving these dates will prejudice any party and should allow a complete development of the issues. The parties to the case on the service list have been contacted and do not object to the extension.

Respectfully submitted,

**Michael DeWine**  
Ohio Attorney General

**William L. Wright**  
Section Chief
