The Ohio Power Siting Bd.

I read a lot and attend meetings
and I do not believe the Windpark
at the Greenwich location to be a
good idea.

1. It is too close to the village.
2. We already have a freight train going
through every 20 - 30 minutes
3. We have Rt 224 through the
village with numerous trucks.
4. We are a small village of 1400
mostly seniors and retired.
5. We don't need the Windpark

I'm sorry my writing isn't good.

Sincerely

McLaren Van Boga
