MISCELLANEOUS RATES AND CHARGES

1. Tele-Tone Touch Calling

This service more commonly known as pushbutton dialing will be offered to subscribers in the Buckland exchange area and is included in the Individual Access Line rates set forth in Section 1 of this tariff. Customers with rotary dial service will be grandfathered and will receive a credit of \$1.00 toward their monthly Individual Access Line rate. However, any subsequent change to service made by such a grandfathered customer will result in the loss of the grandfathering exception and will require that customer to upgrade to Tele-Tone Touch Calling service.

2. Per Call Number Privacy (Per Call Blocking)

Enables customers to prevent the disclosure of their telephone number on a per call basis to the called party. The disclosure of the calling party's number can be prevented on a per call basis by dialing a preassigned access code before making a call. This action must be repeated each time a call is made to prevent the disclosure of the calling party's telephone number. Per Call Blocking will only operate on calls originating and terminating within suitably-equipped offices, or similarly equipped offices of interconnecting Local Exchange Companies. If the called party has a display device, a privacy indication will appear instead of the calling party's telephone number. Per Call Blocking will be provided at no charge.

3. Late Payment Charges

A. Residential and Business Late Payment Charges

A late payment charge will be applied to residential and business customer bills which remain unpaid at least nineteen days after the postmark on the customer's bill. This charge will be the greater of either \$5.00, or an amount that equals 1.5% of the unpaid charges which are past due; except that the charge is not applicable as specified in subsection B. below or until the amount past due exceeds \$21.00.

Upon customer request, each residential customer shall be permitted a one-time waiver of a late payment charge in cases where the customer has already paid the monthly bill for which the late payment charge was applied.

B. The late payment charge does not apply to:

1. Amounts which are in dispute at the time the late payment charge would otherwise be applied.
2. Federal excise tax or any other taxes levied by law directly on the customer.
