Affected PUCO Map No(s):	J-29
--------------------------	------

County(s):	Carroll	Township(s):	Rose
------------	---------	--------------	------

Reason for Reallocation:	Ohio Power Company requests the PUCO to allow Carroll Electric Cooperative to serve Richard James at the location of his new house. Carroll Electric Cooperative served his previous residence which was destroyed in a gas explosion on the property. The new location is in Ohio Power Company area but to provide service would require approx. 5200' of new construction if right of way could be obtained from neighboring properties. Carroll Electric Cooperative has existing facilities 700' from Mr. James new house. He also owns the surrounding property so no further right of way is required.
--------------------------	---

Metes & Bounds / Detailed Description of Reallocation:	The property is located in Carroll County, Rose Township, Section 28. The address of record is 5175 Magnolia Rd. NW, Manolia, Ohio. Coordinates for the general house location are -81 288163, 40 616868. Include an overlap "E" by Carroll Electric Cooperative in Ohio Power Company's territory, as shown on the attached map.
