**Re: Letter of Additional Information for the Oregon Clean Energy
Center, LLC, Case No. 14-1396-EL-BGA**

Dear Ms. McNeal:

On August 15, 2014 Oregon Clean Energy, LLC ("OCE") filed an Amendment ("Amendment"), in the above-captioned case, to its Certificate that was granted by the Ohio Power Siting Board ("Board" or "OPSB") on May 1, 2013 in Case No. 12-2959-EL-BGN. This letter is to provide additional information to OCE's Amendment filing.

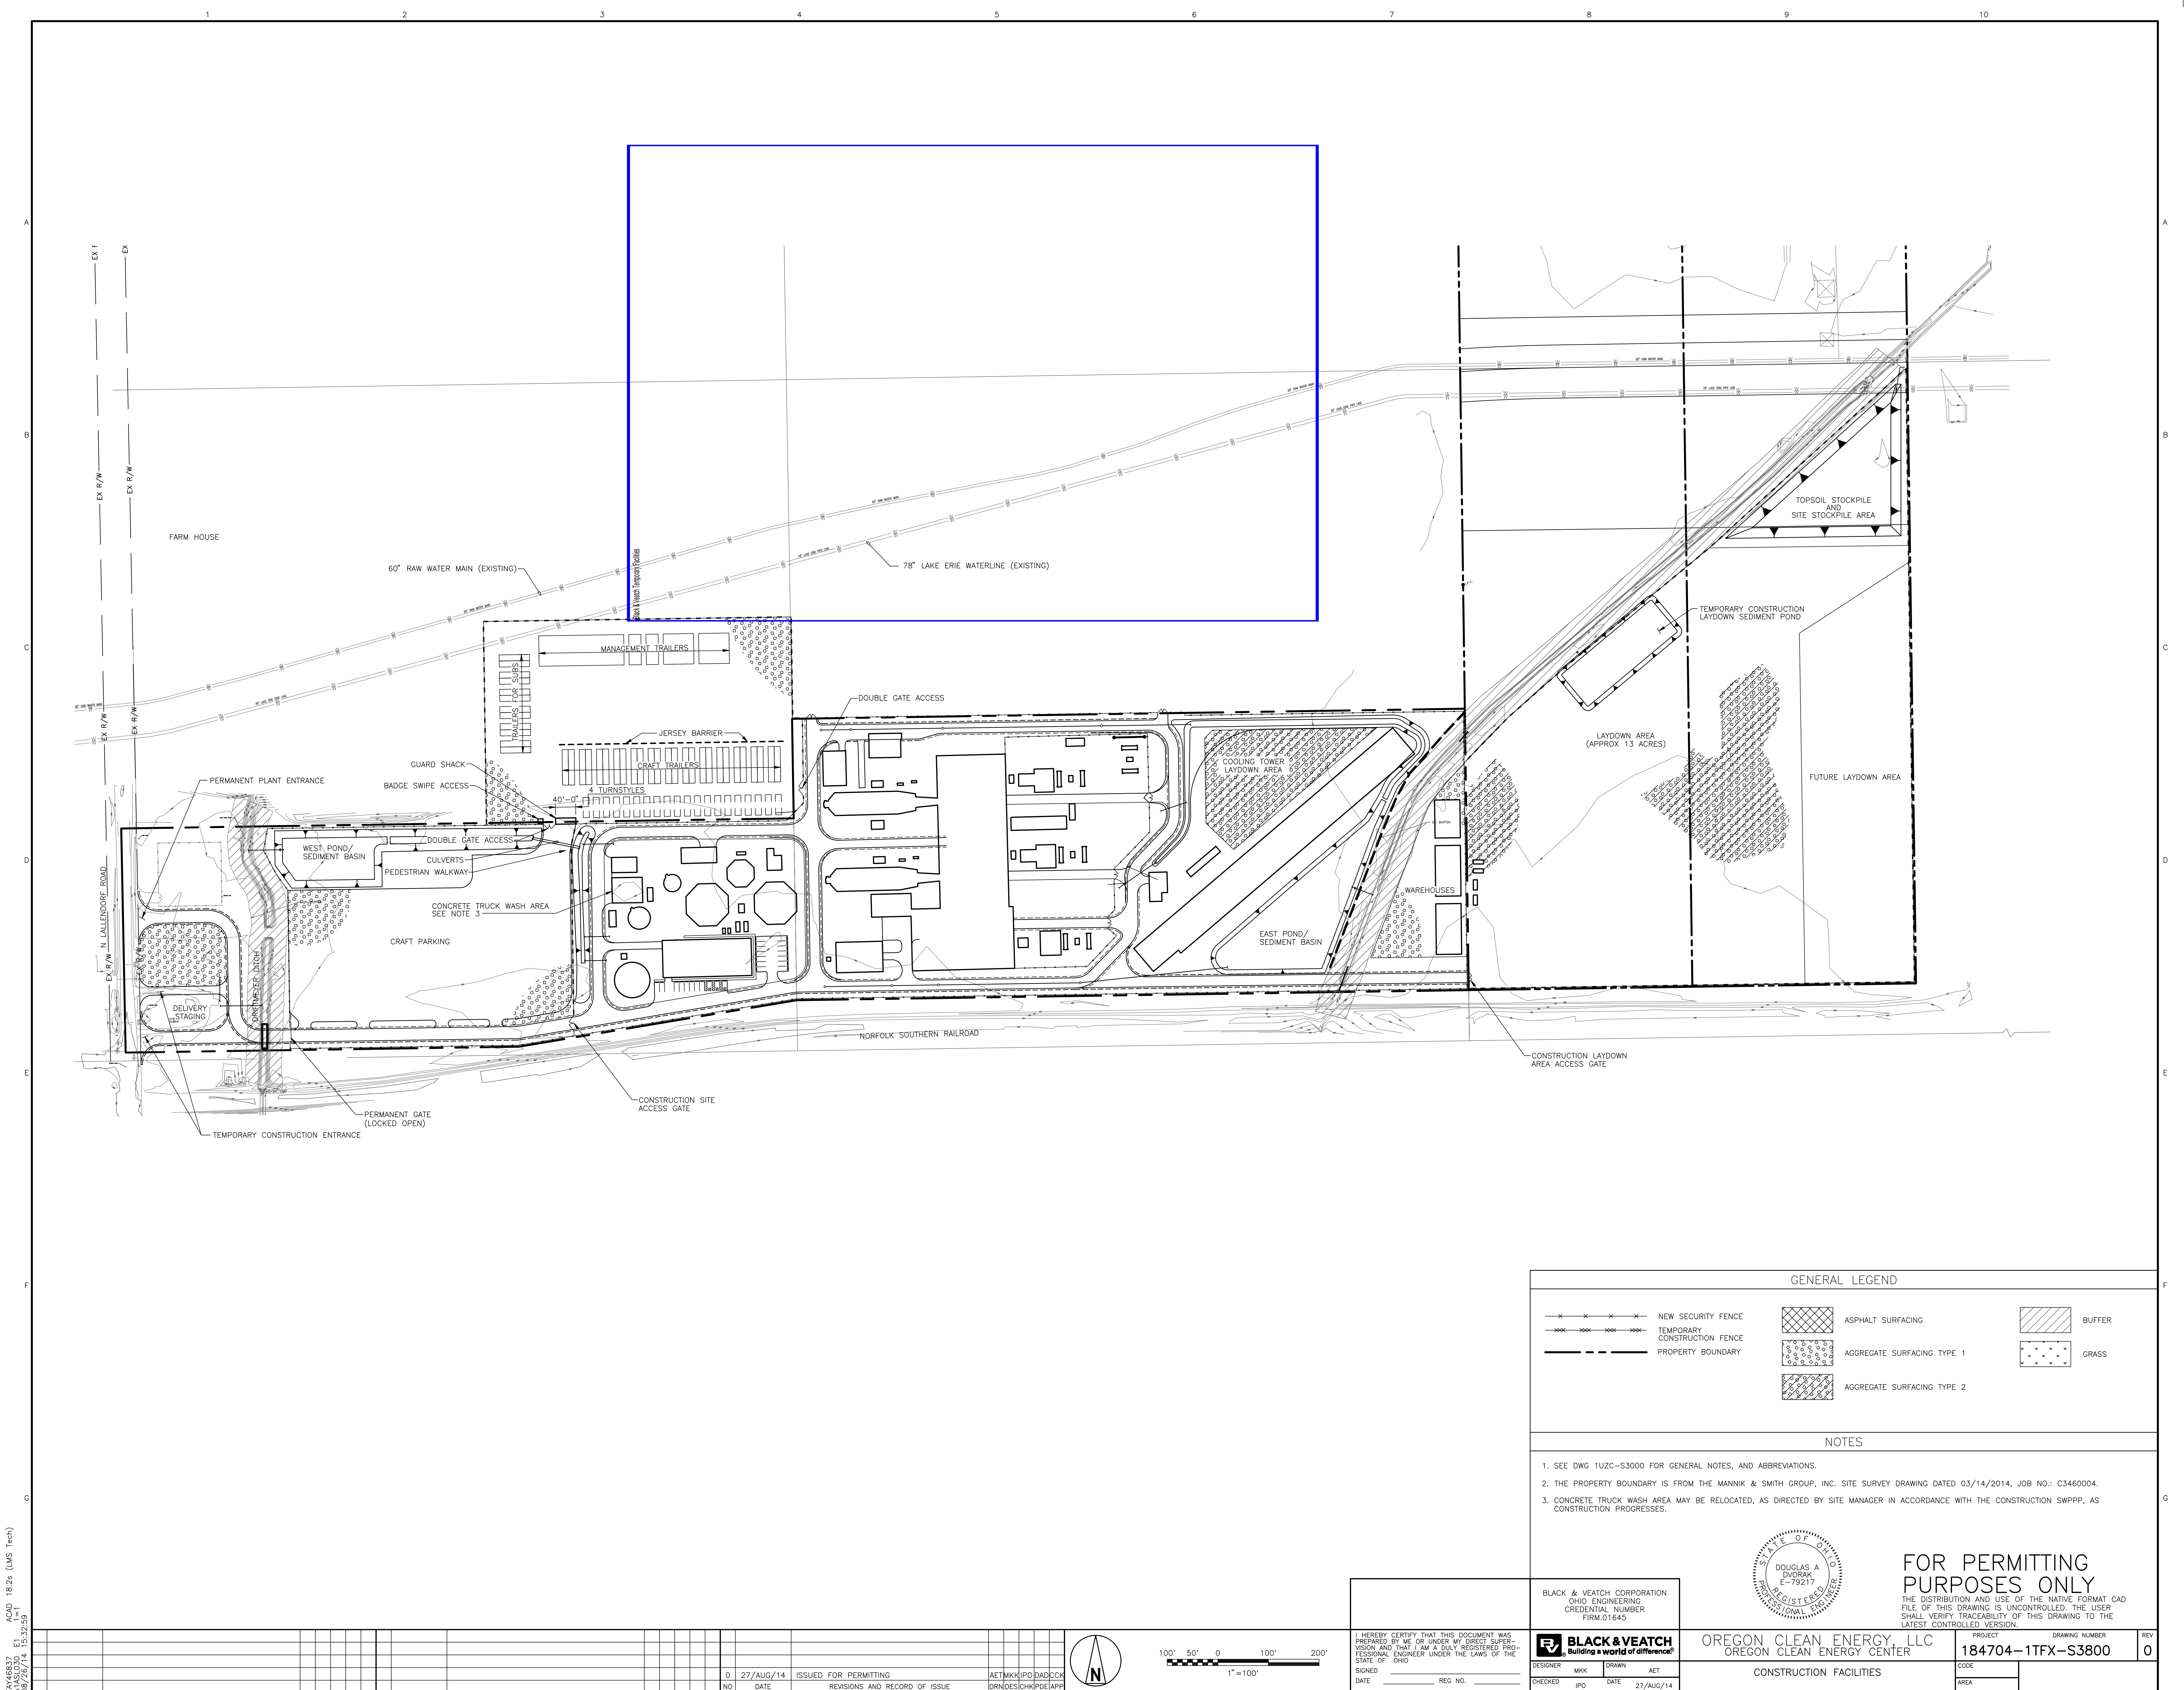

Attached to this letter is a more recent engineering drawing of the facility layout, as depicted in the Amendment. The map shows a temporary trailer parking lot to be used by the project's construction contractors, Black & Veatch. Black & Veatch intends to lease the land to be used for this temporary trailer parking lot.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
