**Re: Telephone Numbering and Number Assignment Procedures,
Case No. 10-884-TP-UNC**

Dear Ms. McNeal:

On September 2, 2014, tw telecom of ohio, llc ("TWTC") filed a Request For Review of a Decision of NeuStar-Pooling Administrator ("NeuStar"). TWTC is requesting the Commission to overturn NeuStar's decision to withhold the numbering resources requested by TWTC and authorize the issuance of the 3000 sequential DID numbers.

By this letter, TWTC seeks to amend its September 2, 2014 filing, and requests the issuance of the 3000 sequential DID numbers be in the "740" NPS and not the "220" NPS.

If you have any questions please call at the number listed above.

Sincerely,

Thomas J. O'Brien

Cc: Jay Arganoff
Cheryl Williams
