Dear Ms. McNeal:

On September 12, 2014, Ohio Power Company (AEP Ohio) filed an Application to initiate this case. The case caption inadvertently referred to the meter opt out tariff when it should have identified the Application as being to amend the Company's interconnection tariff provisions to comply with changes adopted by the Commission in OAC Chapter 4901:1-22. The case caption for this case should be revised to reflect the case caption listed above.

Thank you for your attention to this matter.

Regards,

/s/ Steven T. Nourse
