Subject: wind turbine proposal

I am opposed to the wind park proposal for Greenwich, Oh. Please reference case #13-990-EL-BGN.

Getting people to give permission to install the turbine on their property but telling them not to tell anyone seems sneaky and underhanded. We live in a small community and have a news paper of 2 pages. Many times our paper comes after an event has taken place, so some meetings we miss completely. I don't think our community has been informed very well.

I am opposed to the wind park proposal. Please consider a rehearing of the wind park.
