Public Utilities Commission of Ohio
Attention Case No. 14-0841-EL-SSO
180 East Broad Street
Columbus, OH 43215

Dear Public Utilities Commission of Ohio:

I want to reduce air pollution, save money on my electric bill and urge our utilities to provide cleaner energy source for our electricity. I care about reducing toxic pollution. The bailout would cause all of our rates to go up no matter what energy company we buy from. I should not have to pay for Duke to continue pollution our air with this outdated technology. The money should be spent to develop clean energy sources not bailing out Duke.

Sincerely,

Adam Brashares
