COMMENT DESCRIPTION:

Opsb I feel that the Greenwich Wind {so called} Park should not be allowed to build here in Greenwich Ohio. Turbines do not belong anywhere near anyones home. We care about the people in our community everyone of them. I request another hearing with professionals on both sides of this story. I request a moratorium until the peoples in and adjacent to this project is

evaluated by outside sources and everyones health, welfare, and safety issues are clearly defined and agreed upon. Let us see that you are more concerned about people than projects. Isn't that your sworn duty to protect and provide for people and not companies. Spend money on research. Isn't it only fair that we the people who provide your jobs should have a say in how our tax dollars are spent. Marcia Ledet
