Energy Efficiency and Peak Demand	)	Case No. 12-2192-EL-POR
Reduction Program Plans for 2013	)	
through 2015.	)	

ENTRY

The attorney examiner finds:

- (1) Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company (collectively, FirstEnergy or Companies) are public utilities as defined in R.C. 4905.02 and, as such, are subject to the jurisdiction of this Commission.
- (2) On July 31, 2012, FirstEnergy filed an application for approval of the Companies' energy efficiency and peak demand reduction program portfolio plans for 2013 through 2015 pursuant to the Revised Code, Ohio Adm.Code 4901:1-39-04, 4901:1-39-05, 4901:1-39-06, and 4901:1-39-07, and the Commission's February 29, 2012 Entry in Case No. 12-814-EL-UNC. Thereafter, on March 20, 2013, the Commission issued an Opinion and Order approving the portfolio plans with modifications.
- (3) In May 2014, the General Assembly passed 2014 Sub.S.B. No. 310 (S.B. 310), which became effective on September 12, 2014. S.B. 310 amended Ohio's renewable energy, energy efficiency, and peak demand reduction requirements.
- (4) Additionally, Section 6(A) of S.B. 310 provides that an electric distribution utility that has a portfolio plan in effect on the effective date may seek an amendment to that portfolio plan, pursuant to Section 6(B) of S.B. 310.

- (5) On September 24, 2014, FirstEnergy filed an application to amend its energy efficiency and peak demand reduction program portfolio plans for 2015 through 2016, pursuant to Section 6 of S.B. 310.
- (6) The attorney examiner notes that Section 6 of S.B. 310 requires the Commission to review and approve, or modify and approve, an application to amend a portfolio plan under that section not later than 60 days after the date the application is filed. Consequently, the attorney examiner finds that the following procedural schedule is appropriate for these proceedings:
  - (a) Motions to intervene shall be filed within 21 days of the filing of this Entry.
  - (b) Comments on FirstEnergy's application to amend its energy efficiency and peak demand reduction program portfolio plans for 2015 through 2016 shall be filed within 21 days of the filing of this Entry, and reply comments shall be filed within 28 days of the filing of this Entry.

It is, therefore,

ORDERED, That the procedural schedule set forth in Finding (6) be adopted. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
