~~CASE NUMBER 1230990 ELBGN~~
COMMENTS: Dear Sir or Madam,

I hereby request a new hearing regarding the placement of a wind turbine farm in Greenwich, Huron County, Ohio. The erection of these wind turbines will cause mental and possible physical anguish on the surrounding residents in Huron county.

That fact that this wind turbine farm is tax payer subsidized is reason enough to reject the wind turbine proposal/project. If an industry cannot sustain itself without tax payer revenues, it should not exist.

Respectfully

Raymond Miller
