In the Matter of the Application of Hardin Wind LLC for a Certificate of Environmental Compatibility and Public Need for a 345kV Transmission Line in Hardin County - Case No. 13-1768-EL-BTX

Mr. Chairman and Members of the Ohio Power Siting Board:

I write to inform you of my opposition to the proposed Scioto Ridge Wind Farm project to be sited in Logan County and Hardin County. I am a resident of Logan County and live in close proximity to Indian Lake and the Indian Lake State Park. I believe that the installation of the wind turbines will have a negative impact on my community. Please reconsider your decision to locate the Scioto Ridge Wind Farm so close to Indian Lake.

Let them put up all the wind mills they want around here. The terrain is flat and dismal and these people only care about themselves.

Sincerely,
Bob wells
