COMMENTS: I am a resident of Greenwich Township in Huron County as well as a long time member of The Farm Bureau. I do NOT support the Wind Park that is going to be built in my back yard! Wind Energy is not Green Energy and a tremendous waste of our tax money. Many negative health effect will be harmful to all. The reduced value of my property& difficulty of selling our land. Wind Energy will NOT benefit Greenwich like the developers let us to believe. WE have to STOP this wind project.

Thank You
Duane Edwards
