COMMENTS: To the OBSB, I am a member through Julius and Virginia Wargo. I am their poa. I have paid their bills for years and I have written out the checks to the Farm Bureau for them. They have had their farm on Omega Road for more than 50 years. I do not believe that the Farm Bureau has represented our family nor protected our farm in a fair manner. We were not fairly represented in the matter of WindLabs proposed wind project as we are opposed to the intrusion of this industrial turbine project. Our land is adjacent to the railroad that separates one of the prospective turbine leasers. We do not want them here where we have such a heavy population of citizens.

Sincerely,

Marcia Ledet POWER OF ATTORNEY for Virginia Wargo
